**NOTICE TO MEMBERS
17 MARCH 2015**

To: All Members,

URGENT NOTICE REGARDING CLEARANCE CERTIFICATES OF THE CITY OF JOHANNESBURG

The issue of fraudulent clearance certificates from the City of Johannesburg has arisen once again and the situation is now serious.

Members are warned not to accept clearance figures or clearances from sources other than through the official channels of the City of Johannesburg. If clearances are received from the Seller or Purchaser and/or not paid for by the member, the validity thereof must be verified by Mr Jacques Maart of the City of Johannesburg before lodging it in the Deeds Office.

The City of Johannesburg has warned that legal action will be taken against any attorneys registering transactions in violation of this notice.
