Information Session

Looking ahead - Water Supply for Businesses in Johannesburg

Date: 11. July 2024

Time: 10:30-12:00

Location: Online, register [here](#)

Participation: Free of charge

Have you been facing challenges to maintain smooth operations without reliable water supply for your manufacturing processes or WASH requirements for your employees? Join our online event, where we will bring together representatives of business, industry, Johannesburg Water, Rand Water and the Municipal Support Infrastructure Agent (MISA). The purpose of this event is to facilitate a constructive exchange between businesses and Johannesburg Water/Rand Water regarding the water supply issues that the city faces and ongoing efforts to resolve this. Experts will share with you options on how you can buffer your businesses against water outages. [Click here to register.](#)
